

Amendments to the Specification:

Please insert the following paragraph after Background of the Invention on page 1 of the application:

--This application is a continuation of Application Serial No. 09/92257 filed August 3, 2001, now abandoned.--

Amendment to the Abstract:

Please replace the Abstract of the Disclosure on page 22 of the application with the following abstract:

A locking window that is selectively movable between a first closed position and a second open position and a window latch adapted to be attached to the window is disclosed. The window latch includes a cam latch, a housing including a support wall, a pivot fastener for attaching the cam latch to the housing, and a detent for retaining the cam latch in one of the open and the locked positions.
